FROM THE FOUNDER'S DESK

“ A warm WELCOME to all the 6000 people who have received our 1st MONTHLY NEWSLETTER.

This year is definitely ain't celebration year but keeping the sportsman spirit in us is the only thing to keep us going.

Officially this newsletter is reaching to over 6000 people who come from different business communities but have the same love & passion for boxing like you & me.

My whole idea is to develop Pro Boxing as a mainstream sports in India & I have been giving my best with the available resources we have to offer to the athletes.

There is so much to talk & so much to share but I will leave you here for now..

I want to thank everyone who supported us & made us a first of its kind renowned boxing promotions company from India. ”

THE PAST, THE PRESENT THE FUTURE

the early beginnings ...

When we started back in 2019, we thought to develop a homeground for our promotions which will be the official venue where all the best action will take place in the heart of the city.

Marine Pro Boxing Promotions created its own compact arena & hosted a series of Fight Nights where we discovered some promising talents like Vimal Punera, Kamal Kant, Suresh Kumar, Aman, Inderjeet Singh, Jitender Nandal & many more.

In late 2019 we introduced "MUMBAI FIGHT NIGHT" where our main intention was to attract more new faces from different neighbouring countries. September 2019 was a magical night which saw some great fighters who surprised us inside the ring coming out as a champion.

a new era of boxing in INDIA

While pro boxer Vimal Punera who came fresh from Philippines training camp with 7x World champion Jerwin Ancajas & team was the first boxer to sign with Marine Pro Boxing.

As others joined the MPB Family we are growing every week with new athletes who want to pursue boxing as a career.

From KNOCKOUT NIGHTS, MUMBAI FIGHT NIGHTS to WARRIOR BOXING SERIES and now entering a new age of professional boxing in 2021 !

We are so stoked to make new announcements as we have a complete year lineup planned out with 5 shows in the pipeline (hopefully co#id doesn't f**ks up).

IBA INTERNATIONAL BOXING ASSOCIATION

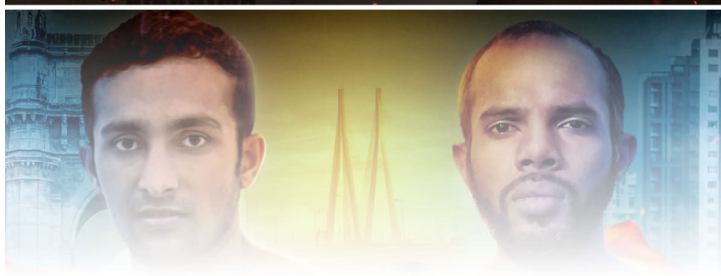

One of the most reputed & prestigious boxing federation - IBA marked their entry into the Indian territory.

IBA Vice-President Stephane Cabrera has plans to promote the IBA championship among the young boxing enthusiasts who only dream to earn a title Belt.

With more encouraging help from Singapore's IBA goodwill ambassador Mr Alexander Shah who has hosted some of the maximum title championships in the Asian region.

Making her international debut in 2019 against Bianca Elmir in Australia to making her debut with Marine Pro Boxing in 2020, Shivani has proved with time that her past career loss has never put her outfocused from her goals as she trains harder at BoxxEra gym, Delhi which she co-owns along with her partners Jeeth Sanghavi & Geeta Solanki.
